

CELEBRATING SENIORS AND MAKING DREAMS COME TRUE

Twilight Wish Foundation

Annual Report

Fiscal Year Ending June 30, 2019

Message from the Founder

Dear Friends,

I am thrilled to say that July 1, 2019 is the sixteenth anniversary of our founding! I could not have imagined that fifteen years later we would now have 16 chapters across the U.S. Or, that we would have granted nearly 3,095 wishes by that date. It hasn't always been easy, but it has always been worth it!

Once again, we granted many incredible wishes as you can see. One of the most poignant wishes was for Kenneth and his wife. Kenneth's wish was submitted by his hospice social worker. He had terminal lung cancer and was on oxygen 24/7. He and his wife had been married for four years but could not afford a honeymoon at the time. Originally, he had wished to go to Florida, but as his disease progressed, the wish evolved into a trip to Niagara Falls. Although he was fairly ill at the time of his wish, he and his wife had a wonderful few days together. Shortly after their "honeymoon," Kenneth passed away peacefully. Pictured are them enjoying the "Maid of the Mist" trip through the falls.

There are many things we are grateful for on this journey, including our 16 chapters run by dedicated volunteers who have a love for the elderly. Many of them have full-time jobs, but still find time to fundraise and grant wishes for the seniors in their communities. We are grateful for the seniors that we meet along the way; many of them share such a wonderful perspective on life with us. And, as always, we are so thankful for the generosity and compassion of our many donors and corporate sponsors, many of whom have been with us since the beginning.

We look forward to many more years of working with all of you to continue celebrating our seniors and making their dreams come true.

Best wishes,

Cass Forkin
Founder & Chairman of the Board

About Twilight Wish Foundation

Mission and Vision

The mission of Twilight Wish is to honor and enrich the lives of deserving seniors through wish granting celebrations that connect generations. Our vision is to make the world a nicer place to age, one wish at a time. Through our good works, Twilight Wish is changing the culture of aging in the U.S.

History

Twilight Wish Foundation, a 501(c)3 nonprofit organization, was founded by Cass Forkin on July 1, 2003, in Bucks County, Pennsylvania after a life-changing encounter with several elderly women in a diner. As the women were counting out change to pay for their meal, it became clear to Forkin that they could barely afford even a simple buffet lunch in a diner, so she anonymously paid their bill. They insisted on knowing who treated them and said, "We didn't know there were still people like you out there. We thought you had forgotten us." Those comments and the women's gratefulness for Forkin's simple gesture led to the realization of the genuine need for a national organization that addressed not only simple and basic needs, but also the higher-level needs for an elder's wish of a lifetime.

Twilight Wish granted its very first wish on January 16, 2004, to Margaret Turner, an 81-year-old nursing facility resident. Margaret requested a tombstone for her deceased son who was buried in an unmarked grave. As of June 30, 2019, Twilight Wish had granted over 3,095 individual wishes to deserving elderly throughout the U.S. This equates to nearly one wish granted every other day since our founding in 2003.

Affiliate Information

National headquarters is located in Bucks County, Pa. This office manages and trains volunteers across the country. Chapters are headed by volunteer regional directors and chapter directors in Alabama, Arizona, New York, Indiana, New Jersey, Pennsylvania, and California. We have six chapters in Pennsylvania including (near Philadelphia), Pittsburgh, New Castle and Erie. Regional directors are responsible for fundraising, wish fulfillment, volunteer management and senior celebration events. All states with chapters have state charitable registrations as appropriate and are covered under national headquarters' 501(c)(3) charitable designation.

Our Programs

Wish Granting Program

Twilight Wish celebrates seniors and makes dreams come true by granting wishes for recipients over age 65 who do not have the ability to grant their own wishes or are permanent members of a long-term care facility. Wish granting provides a meaningful “thank you” for a lifetime of service to others. Sometimes the wish fulfills an immediate need. Sometimes it fulfills a last wish or a wish of a lifetime. Big or small, all wishes are significant to the recipient as they validate what the senior has specifically done for others over the years.

Intergenerational Education Program

Imagine an intergenerational exchange of knowledge, wisdom and understanding. This is exactly what we set out to accomplish with our Intergenerational Education Program which directly matches local school students with nearby nursing center residents. Students get directly involved with the entire wish-granting process. They learn all about senior citizens and their wishes, raise funds, and grant wishes at a celebratory event. As a result, seniors are validated and respected, and feel an increased sense of dignity and self-esteem. Students gain a respectful understanding of aging and develop compassion and patience in normal day-to-day experiences with seniors. They also learn the value of volunteerism and philanthropy.

DUTY Program

We feel it is our responsibility to honor and respect our elders in their twilight years. That’s why we created our DUTY program. This program is designed to spontaneously thank seniors for all they have done for others by treating them to a meal. How it works: Print out a DUTY card from our website or contact us for preprinted cards. When you dine out and see a senior you would like to treat, simply pay the bill and hand the DUTY card to the server. In turn, the server presents the card to the recipient as a thank you for everything the senior has done for others over the years.

Circle of Angels Legacy Society

Our Circle of Angels Legacy Society allows donors to leave behind a legacy that makes a lasting difference for generations to come and directly benefit those in their twilight years. By designating a percentage of their estate, donors bring hope and joy to economically-disadvantaged seniors through our various programs.

Veterans Program

At Twilight Wish, we feel it is our privilege and duty to help fulfill the wishes of our elderly American veterans. Since our founding in 2003, we have honored more than 900 veterans. In fact, one-third of all the wishes we grant are for veterans. Sometimes a wish fulfills an immediate need. Sometimes it is a last wish or a lifelong dream. Large or small, all wishes provide a meaningful “thank you” to our veterans for their dedication and selfless service to our country.

Wish Stories

Al was a policeman and plain clothes detective for the Philadelphia Police for many years. At 82, his one wish was to return to the “Roundhouse” (headquarters) one more time. The Police Department went above and beyond to make this an incredible day for Al. He was given a police escort to and from the Roundhouse and was met on his arrival with an honor guard and the pipes and drum corps. After meeting with the Police Commissioner, Al was given his own hat with his badge number on it. He also enjoyed a special lunch at the FOP and visited the K9 and SWAT sites. It was an amazing day for him!

At the age of 92, Kathryn wished to return to her hometown of Lincoln, Nebraska one more time. She had not been back in 80 years! Kathryn and her son traveled from Arkansas to Nebraska in March of 2019. Among the stops on their trip down memory lane was a visit to her beloved old school, Brownell-Talbot where she received a special tour and met with the students there. Pictured are Kathryn and her son looking through old yearbooks at the school.

Take me out to the ballgame! Once again, the Phillies generously assisted with getting tickets for six wheelchair-bound seniors at local nursing facility Neshaminy Manor. The residents, along with their caretakers, enjoyed a great game as the Phillies swept the Mets! All six seniors are huge Phillies fans and watch the games faithfully on tv. Because they are wheelchair bound and have limited spending money, being able to leave the facility and attend a game is a huge treat for them.

Twilight Wish Categories

The mission of Twilight Wish Foundation is to honor and enrich the lives of deserving seniors through wish granting celebrations that connect generations. Our vision is to make the world a nicer place to age, one wish at a time. Since our founding in 2003, we have granted the lifelong wishes of over 3,095 deserving senior citizens throughout the United States. Twilight Wish grants wishes to seniors, 65 and older, earning less than 200% of poverty level, or who are a permanent resident of a nursing facility.

Simple Needs wishes are for basic quality-of-life necessities such as healthcare and accessibility items including hearing aids, dentures, mattresses, appliances, wheelchairs, and walkers.

Living Life to the Fullest wishes are often the fulfillment of a lifelong dream such as publishing a book, riding in a hot air balloon, or meeting Merle Haggard.

Celebrating a Life wishes are meaningful and nostalgic wishes for recipients with limited life expectancies. Many of these wishes are for family reunions, visits to hometowns, and to return to a job or career one more time.

Veterans' wishes make up one-third of all Twilight Wishes granted. Veterans' wishes can fall into any of the other three programs, but we differentiate this program as it gives us all an opportunity to thank veterans, many in nursing facilities, for what they have specifically done for others over the years and acknowledge that we remember and care.
